NOTIFICATION

As part of the modified accommodation review process, the final report for Arthur Henderson Public School has been posted and includes the following recommendation:

Consistent with the Initial Staff Report and based on the School Information Profile feedback and public input, it is the Senior Administration recommendation that Arthur Henderson Public School be closed and the JK-3 school population be relocated to Central Algoma Elementary. This would be contingent upon the Algoma District School Board applying for and receiving Ministry of Education Capital Funding for an addition to Central Algoma Elementary School.

The complete report, along with minutes of the two public meetings and the school profile are posted at <http://www.adsb.on.ca> under the Accommodation Review link on the main page.

As outlined in Algoma District School Board Policy 5.01: Pupil and Accommodation Review Policy, the Board must allow an opportunity for members of the public to provide feedback through a public delegation to the Board of Trustees no fewer than 10 business days after the final staff report is posted. The Board has set aside Thursday, March 2, at 6:00pm as a special Board meeting to provide such opportunity. The meeting will be held at the Education Centre which is located at 644 Albert Street East, Sault Ste. Marie. Stakeholders interested in making a presentation (maximum 20 minutes) to the Board of Trustees must indicate their intent to present by Friday, February 24 by calling (705) 945-7235.

Should you have any questions about the accommodation review process, please contact Superintendent Marcy Bell at (705) 945-7235.
