BEFORE &/OR AFTER SCHOOL SURVEY

Do you have children attending Boreal in September (6-12 years old) who require before and/or after school care? We are currently assessing the needs of the community to see if there is sufficient demand to provide this service at Boreal. If you are a family with before / after care needs, please complete the survey at this link www.surveymonkey.com/r/KC9589K by **May 5th** to help us determine our next steps. If you have any questions, please contact your current school. Thank you.
