Dear Parents and Guardians:

As part of our registration process for September 2018, we would like to take this opportunity to invite you to a Superior Heights Collegiate Parent and Student Information Evening on Tuesday, February 13th, 2018 from 6:00 p.m. – 8:00 p.m. We are holding this information evening so that parents may have the chance to learn more, ask questions, and make an informed decision concerning the 7-8 program. Our team has already made presentations to Grade 6 students February 5<sup>th</sup>, 6<sup>th</sup>, 8<sup>th</sup>, 2018.

We are confident that our 7-8 program will provide an exceptional learning environment for students and we are excited to share the highlights of this program which will focus on some key areas: partial rotary timetables, access to specialty teachers and specialty classrooms, opportunities for students to reach ahead and enroll in grade 9 courses, an extra-curricular program including athletics and leadership. The goal of our program will be to create a more gradual transition into secondary school for our students in a fully supervised learning environment.

Please find below, some of the items we will be addressing in our presentation:

- Staff Introductions
- Academic Program/Specialized Classroom Access
- School Facility Highlights
- Outline of the School Day Schedule for Grade 7 and 8 Students
- Teaching and Learning on a Partial Rotary System
