## Parenting and Family Literacy Centres

Algoma District School Board's **Parenting and Family Literacy Centres (PFLCs)** are wonderful locations where children prepare for the start of school and families are encouraged to be a part of their children's early learning. Our four PFLCs offer moms, dads, grandparents, caregivers and children ages newborn to six, opportunities to explore, play and build a love of learning together. This drop-in program is free, requires no pre-registration and is open every school day morning.

## Kindergarten Program Information Guide

The **Algoma District School Board** is committed to providing young children with high-quality learning environments and enriching educational opportunities.

Our highly trained educators will challenge and motivate young learners with the aim of building self-confidence and the understanding that **learning and the development of good character is a life long adventure.**

# What will I learn in Kindergarten?

"I may get dirty or wet while I am finding out about things – but if I make a discovery, then I love it."

"I need to learn all of these skills to grow into a happy, healthy person."

"To get the most from my kindergarten years, I need an encouraging adult to help me do it my way, and my way is, through play."

"My language skills grow with lots of stories, poems, songs, puppets, games and talk with others."
