

Why do we ask you to register so early?!

Initial Kindergarten Registration will take place during the week of
January 15th through January 19th, 2018.

You may wonder why we ask you to register so early
before the start of the school year!

Registering early means

- we can personalize the classroom;
- we'll have a cubby and a special spot in the classroom ready just for your child;
- we have a better sense of the number of teachers we will need and at which schools we will need them.

By registering early we will have you on our list of families to invite to our **Welcome To Kindergarten** celebration. This is a great event which is held in the spring for students entering JK. They get to:

- take their first bus ride;
- see their classroom;
- meet their teacher;
- receive goody bags full of lots of fun school supplies, books and games.

All of this makes for a smoother transition for your children in the fall.

Don't worry if you missed our scheduled registration dates. Simply call the school and set an appointment that is convenient for you.
