Gr. 2/3: Connell S. Aurora A.
Nicholas A.

Gr. 3: Sam C. Riley H.

Gr. 4/5: Naomi Y., Randy C.

Gr. 5/6: Hailey Mc F.,
Jonathan T.

Gr. 6/7: Katelyn P. Kyle N.
Tyson C.

Gr. 7/8: Kesi C. Sarah E.
Gavin D. Jonah R.

French: Ava E. Katja M.

Principal's: Sarah E.

FEBRUARY 2016

Report Cards Home on February 18th

Teachers have been working hard to complete first term report cards.

The Learning Skills section of the report card is an extremely important section. These skills are the employability and life skills that as adults, make people successful. Every student is capable of achieving success in the learning skills and by default, if they improve in these skills, it is likely that they will also improve their academic results.

The marks on the term one report cards are based on assessments done since Sep-

tember. The information and assessments that teachers have gathered in each curricular area is meant to summarize each student's demonstrated learning up to that point. The marks for each subject area reflect a student's understanding of the curriculum expectations.

Teachers are happy to set up a time to meet to discuss any concerns you may have.

Mr. M. Dugas

PD Day
Friday February 5,
2016 is a PD Day, no
school for students.
Teachers will be
working on assess-
ment for the Term 1
report cards.

Drop-offs and Pick-ups

In order to do our best to keep all students safe, we have a few quick reminders: Students are not supervised by teachers until 8:30 each morning. Unless it is an indoor recess, students getting dropped off should not be coming into the building in the mornings. Students can place their backpacks along the walls of the school where they line up so they are free to go play until the bell rings at 8:45.

At the end of the day, in order to reduce some of the congestion, please wait for your child, at the office area or by the library doors. We have teachers on bus duty as well as a teacher on pick up duty by the office door. Older students (grades 6-8) will do the same.

At Arrival and Dismissal times, we ask that parents are swift and quick with the dropping off and picking up

of their children. We cannot have a congestion of traffic at the beginning or end of the day because we are putting the safety of our students at risk. Quick entry and exits mean a smoother and safer environment for the students and staff on duty. Thank you for your cooperation as we do our best to focus on student safety.

Girls' Volleyball

The Sr. Girls Volleyball team has had a great start to the season. As they continue to prepare and work hard, they await the Korah invitational and lastly, the playoffs. Thank you to Mr. Moffat for his time and dedication spent coaching the volleyball team. Good Luck girls throughout the remainder of the volleyball season.

Go Mustangs!!!!!!!

Boys' Basketball

The Boys' Basketball season is underway and they are doing very well. They continue to chip away at their regular season schedule. They also have the Korah invitational to attend as well as the upcoming playoff schedule. Many thanks to Mr. Burns for refereeing the games after school. Good luck , Boys.

Curling Students continue to curl on Mondays after school. Many thanks to Mrs. Hazelton and Mrs. Orchard Springer for taking the time to see the curling program continue running and for encouraging students to play.

**“Education
is the most
powerful
weapon for
changing
the world.”
— Nelson
Mandela**

ADSB Supporting the Arts

Students from all over ADSB have been working hard to prepare and present amazing theatre productions.

Korah's Theatre Group will be presenting Aladdin on February 16th. All students will attend this show to support Korah's theatre group.

Students from 1-8 will attend the White Pines Theatre production of “Legally Blond” on February 10th.

We feel that it is important to expose our students to the dramatic arts. We made sure that every class at RM Moore was provided with the opportunity to see a play.

Cookie Dough Orders and Information

Students will be bringing home order forms for cookie dough orders this week. Students have been told that they are to speak only to family members and not to strangers. Parents will be notified when the orders need to return to school through a letter that will be sent. Please pay close attention to the return date for order forms written in the letter.

Late Orders Will Not and Cannot Be Accepted ,these are company rules that we cannot avoid or change, please abide by the provided due date. Once again we thank all of you for your support!

February's Character trait is **Fairness**

We show **fairness** by taking turns and including others when we play.

It is important to remember that **fairness** isn't **sameness**.

And although this is sometimes a difficult concept to teach children, it is so important to learn.

FAIR ISN'T
everybody getting the
same thing.....

FAIR IS
everybody getting
what they need
In order to be
SUCCESSFUL

A few reminders and additional info ...

- * Aurora's meal cards can be purchased at the office for \$10.00. First come, first serve.
- * We are still accepting JK registrations for September 2016. Please let anyone know, whose children will be age 4 by December 31, 2016, that it is not too late to register at RM Moore for the upcoming school year.
- * Please do your best to have your children at school on time. Instructional time is precious and begins promptly in the mornings at 8:45. Many class schedules start the day with the same subject area so being late on a regular basis can mean missing the same subject each time a student is late which can affect student learning.
- * We welcome parents to visit our building anytime, and ask that you begin your visit with a brief check-in at the office when coming during the middle of the school day. Again, this is just another way we can all help to ensure student safety.
- * Family Day is Monday, February 15th—no school that day. We hope you enjoy an extra day with your family and will see you back on Tuesday.

RM Moore Oral Speaking Successes

Congratulations to the following students who were selected to present their orals at the Zone competition. In the Junior group Gavin S. and in the Sr. group Natalie B. We are proud of all students who got up to speak in front of their classes as we know it is an intimidating event for many people to do.

The zone competition is February 2nd at Greenwood P.S. at 7:00 p.m. students are asked to be there by 6:30 pm. Good luck to Gavin and Natalie, who we know will represent RM Moore very well.

PTA & School Council

PTA and School Council Meeting will take place this month on Thursday, February 4th beginning at 6:30 in the school library. We look forward to seeing many of you there.

We are very fortunate at RM Moore to have such an active and hard-working parent community. New members are always welcome. Come out to learn more about what goes on at our school.
