Policy Statement: Provision of Health and Medical Support Services

The Algoma District School Board believes that all students and staff are entitled to a safe and healthy learning and working environment. The Board is committed to working cooperatively with staff, parents/guardians, students and related community agencies to support students who may require health and/or medical services while at school or while being supervised by Board personnel. This policy and the accompanying procedures are in accordance with Ministry of Education Policy/Program Memorandums and include but is not limited to the following:

- infectious disease
- anaphylaxis
- concussion management
- administration of prescribed medication
- management of pediculosis
- diabetes
