

Student Accident Insurance - Information for Families

Accidents can happen anytime, anywhere - during sports, play, field trips, or everyday activities. When a child is injured, families may face unexpected costs not fully covered by government or employer health plans.

To support families, our school board offers access to **insuremykids® Student Accident Insurance** through Old Republic Insurance Company of Canada. Participation is voluntary, but highly recommended.

Why Consider Accident Insurance?

Families may be responsible for expenses related to:

- Ambulance services
- Casts, crutches, or medical devices
- Physiotherapy
- Emergency dental care

Please note: **Schools and school boards do not provide accident insurance coverage.**
